## EC Certificate of Factory Production Control

**Certificate No. 0086 - CPD - 578241**

In compliance with the Directive 89/106/EEC of the council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products

### Products and systems for the protection and repair of concrete structures

#### **Xypex Concentrate**

characterised as

#### **Part 2: Surface Protection Systems for Concrete**

Principle 6 RC) Resistance to Chemicals  
6.1 Coating (C)

produced by the manufacturer

#### **Xypex Chemical Corporation**

13731 Mayfield Place, Richmond, British Columbia, V6V 2G9, CANADA

manufactured in the factories located at

Richard Whittaker Ltd, The Mayfield Centre, Mayfield Street, Off Belfield Road, Rochdale, OL16 2UZ, United Kingdom  
And  
Betosan Ltd, Batelov, Czech Republic

are submitted by the manufacturer to initial type testing of the products, a factory production control, and to the further testing of samples taken at the factory in accordance with a prescribed test plan, and that the notified body BSI has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of factory production control. This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the harmonised European Standard EN 1504-2:2005 were applied.

For and on behalf of the British Standards Institution, a Notified Body for the above Directive. Notified Body Number 0086.

David W. Ford, Executive Director, Healthcare and Testing Services

Date 4th August 2011

This certificate first issued 4th August 2011

This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
